

PARTNERSHIP WITH PARENTS

It is the aim of the staff and committee running Kidz Club 6 that a close working relationship with parents/carers of children attending the club can be established and maintained. We welcome and encourage two way communications between everyone involved with the club.

New and prospective parents are very welcome to visit the club during session time to see the facilities we have to offer. This can be arranged by booking a time with the club supervisor.

Once your child is attending the club, staff will keep you informed about how your child is settling in.

Should you wish to discuss any issues relevant to your child's attendance at the club, an appointment can be made with the club supervisor at a time convenient to both parties. The club supervisor may have to contact parents to discuss any concerns they may have.

There will be a notice board informing parents/carers of club activities, special notices and reminders.
